## Ebook Details:

*Review: Trust is a high commodity among people today but it something that is not given as easily as it was a few generations ago. Almost gone are the days where a gentlemen's agreement was all that was needed between two people. It was possible because people had more trust in one another. Now, trust among people is harder to acquire. This natural reaction...*

*Description: The Bible makes big claims for itself. But do those claims stand up? Arent the stories just legends? Hasnt the information been corrupted over time? Isnt the Bible full of mistakes? And isnt it culturally outdated? In this absorbing little book, Barry Cooper explores these questions - and many others - with warmth, wit and integrity....*
